

The Friedrich Wilhelm Raiffeisen-Schule e. G. (FWR), founded in 2006 in Wetzlar, is a primary school starting at age 5, with an integrated comprehensive school and a bilingual school branch. It currently has 190 students and 30 teachers. The bilingual branch was added in 2019 and includes the Reception class as well as Grades 1 to 5. Each year, another grade level is added. A special emphasis is placed on proactively fostering the development of children according to the WEiSE concept and integrating parents at all levels of the FWR school. The FWR primary school is privately owned and state recognized.

Schulexpert also includes the Deutsche Fernschule e.V. and the schulexpert GmbH. The Deutsche Fernschule e.V. is a unique primary school that provides state-certified distance education to 550 German-speaking children in over 100 countries worldwide where no schools are available. The schulexpert GmbH provides logistics, school technology, and school founding consultation to many schools and founding initiatives at home and abroad.

As of next scholastic year [19.08.2024], we are looking for:
